UCSKM is best in many ways in this area. It had been active in many social causes too like save environment, save water, educating community to reduce the use of plastic. School is providing opportunities to be part of such causes. It is good for developing the personality of children and in inculcating the moral.

UCSKM is the best school and the teachers of this school are very helpful and school constantly organises various programmes to increase the knowledge of students

This school is the best school I had ever seen. Teachers not only teach students about their respective subjects but also all the aspects of life to enhance their personality traits. During corona pandemic all the possible efforts have been taken by this school to provide education.

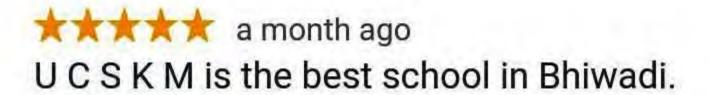

UCSKM is the most disciplined school and the teachers here are very supportive and motivating. They help the students to excel in academics as well as in co curricular activities. Besides this teachers inculcate moral values in students and helps in developing their personality.

My son attends this school and they keep him motivated with a wide range of extracurricular activities to choose from. They give a lot of incentives for students to keep their grades up. I'm am happy to send my son to UCSKM Public School

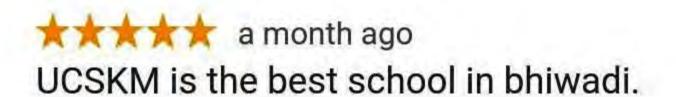

UCSKM is the most innovative school at Bhiwadi as it provides students to work on their interest and shapes them in such a way that students are able to achieve their goals. Moreover school organises time to time workshops and various other programs also to increase the insights of the students.
